Instructions:

1. Run the front of the Real Red card stock 8 ½" x 5 ½" through the Big Shot with the Softly Falling Textured Impressions Embossing Folder.
2. Stamp the wreath from the Circle of Spring stamp set on the Whisper White card stock with VersaMark ink. Heat set white embossing powder with heat tool. TIP: There is a small arrow on the wreath stamp that is the top – mark that, so you can easily line up the framelit.
3. Using sponge daubers, sponge the Real Red and Garden Green Ink over white embossed wreath. (see picture below). Using a Kleenex, rub over to remove ink from embossed area.
4. Cut out wreath on the Big Shot with the Wonderful Wreath Framelit.
5. Stamp the bow in Real Red ink on the small piece of Real Red card stock and cut out with the Big Shot.
6. Adhere the Neutrals Smoky Slate Stripe to the front of the Real Red Card Base.
7. Adhere the wreath with Dimensionals to the front of card.
8. Adhere the bow with a Dimensional to top of wreath.
9. Add a White Perfect Accent to center of bow.
