## Measurements:

- Shimmery White Cardstock: 8-1/2" x 5-1/2"; 5" x 3"
- Color Theory DSP: 5-1/4" x 4"
- Ribbon: 18"

## Instructions:

1. Fold cardstock in half for card base and adhere Designer Paper to front.
2. Stamp "HELLO" image on smaller piece of Shimmery White cardstock with Archival Black ink pad (let dry a few minutes for best results).
3. To color images, squeeze lid of ink pad gently to transfer ink to inside of lid to use as a palette. Fill Aqua Painter with water and squeeze gently to make brush tip damp. Keep a paper towel handy to blot and clean brush as needed.
4. Color petals as follows: mix some of the Rich Razzleberry ink with your wet brush to make a dilute solution. Paint the flowers with this, and then, while paint is still damp, add small amounts of full-strength ink, allowing the colors to bleed together. Go lightly at first; you can always go back and add more color later.
5. Allow flowers to dry, and then use same method to color the leaves with Old Olive and flower centers with Crushed Curry.
6. Adhere to card front and tie ribbon below stamped image.
7. Apply Wink of Stella to flowers.
