Pear Pizzazz Scrap

Sugarplum Scrap from the 2016-18 In Color Designer Paper

Instructions:

1. Stamp the sentiment with Versamark ink on the bottom right of the Basic Black panel. Sprinkle on and tap off the excess Whisper White Embossing Powder, then use Heat Gun to set it. Adhere the panel to the Sweet Sugarplum card base as shown.
2. Run the flower and the stem through the Big Shot Machine with the aid of the Precision Plate using the scraps of paper. Then, use the Die Brush to remove the pieces from the die.
3. Adhere the stem and flower to the card as shown with tiny drops of Multipurpose Liquid Glue.
4. Select a few Enamel Shapes from the 2016-18 In Color and the Subtles Enamel Shapes packs and adhere them to your card as shown.
