

For the sweet 16 or change for any age! Pull your colors from the Designer Paper and it's a cinch!

Supplies List:

- **Paper:** Basic Black 12x12 cardstock (124267); Mint Macaron cardstock (138337): 5-3/4" x 2-1/2" plus scraps for die cutting; Hello Honey cardstock (133678): scraps for die-cutting (a half sheet should do it); Old Olive cardstock (100702): scraps for die-cutting; Cajun Craze cardstock (119684): scraps for die-cutting; Botanical Gardens Designer Series Paper: 11-1/2" x 11-1/2"; 4" x 6"; 4" x 3" (X4)
- **Accessories:** Big Shot Die-cutting Machine (113439); Botanical Building Framelits Dies (140625); Large Numbers Framelits Dies (140622); Hello You Thinlits (137363); Botanical Gardens Jewels (140585); Rhinestone Basic Jewels (119246); Fast Fuse Adhesive (129026); Fine-Tip Glue Pen (139309); Mini Glue Dots (103683)

Instructions:

1. Adhere Designer Series Paper (DSP) to 12x12 cardstock.
2. Die cut "happy", "1", and "6" from Hello Honey cardstock and adhere to Mint Macaron cardstock with Fine-Tip Glue Pen.
3. Die cut as many flowers and leaves as you would like. For this sample, I cut 1 large Hello Honey; one each medium flower, small flower, and stamens from Hello Honey, Cajun Craze, and Mint Macaron; and 5 fern-shaped leaves from Old Olive.
4. Mount photos to DSP mats and adhere to page. (Use one or more photo blocks for journaling if you want). Adhere title block.
5. Adhere flowers using Fine-Tip Glue Pen and/or Mini Glue Dots where desired. Embellish with a Botanical Gardens Jewel (using a glue dot) and Rhinestone Basic Jewels.
