## Measurements:

Dapper Denim cardstock: 4-1/4" x 11", score at 5-1/2"

Whisper White cardstock: 4" x 5-1/4", 3-1/4" x 3-1/4"

Soft Sky – scrap for punching heart

Dapper Denim DSP – 4" x 3"

## Instructions:

1. Emboss the Happy Hearts embossing folder onto the large Whisper White panel.
2. Using the three stamps for the Baby Bear, stamp onto Whisper White square – use a paper piercing mat for best results. Bear images are marked with a number 1, 2, and 3 – use the stamps in that order – stamp image 1 with Sahara Sand ink, stamp image 2 with Crumb Cake ink, and image 3 with Early Espresso. When I am stamping these images, I line up the bottom of the bear and they seem to line up quite well.
3. Stamp "love you" on a scrap of Pool Party cardstock, and punch with Sweetheart punch.
4. Assemble card – and pop the sweetheart shape with a dimensional.
5. Use thick white baker's twine and wrap around card and tie a bow.
