Measurements:

- Cherry Cobbler: 4" x 11" scored at 1-1/2", 5-1/2" and 7-1/4"
- Whisper White: 3-1/2" x 3"
- Peach Ribbon: 8"

Instructions:

1. Stamp large jar on left side of white card stock in gray ink. Stamp LOVE in Cherry Cobbler to the right side of jar and add other words in Basic Gray. Stamp fish inside jar in Peekaboo Peach (vertically).
2. Lay scored Cherry Cobbler Cardstock with largest area at the top. Adhere white stamped cardstock (framed closest to the score line~ leaving more room at the top) using Fast Fuse.
3. Use "inside jar" framelit to cut through both layers, leaving a window in your jar.
4. Fill gusseted bag halfway with fish crackers. Fold top down and staple each side.
5. Insert bag into cardstock pouch, folding 1-1/2" scored edge over the top. Staple peach ribbon to the top edge of the pouch (through all four layers: ribbon, cardstock, cello bag and cardstock= creating a "matchbook" pouch)
6. Tuck front of pouch (with the jar) under the top (stapled) edge to close.
7. Tie bow. Add fish to front with dimensional.
